

The background of the entire image is a photograph of a rural setting. In the foreground, several brown cows are visible, some standing and some being fed. In the background, a group of people, including men and women, are gathered, some holding microphones, suggesting a community meeting or a presentation. The scene is set outdoors under a simple structure with a corrugated metal roof.

# Testimonials

"I learned to believe in myself again. Poddar Sansthan's makeup training course gave me not only a skill but a new identity. As a single mother, I faced many challenges, but today I run my own small salon and support my children proudly. I'll forever be grateful to the team who believed in me."

**Anita**  
**Makeup Artist & Single Mother**

"Volunteering at Poddar Sansthan changed my perspective on life. From teaching kids in rural areas to planting trees, every experience taught me compassion, leadership, and the value of community service. I found my purpose here, and I'm proud to continue as a lifelong supporter."

### A Message from the Founder

It gives me great pleasure to introduce Poddar Sansthan, an Indian non-profit organization dedicated to inclusive development and grassroots transformation.

Driven by a mission to uplift and empower, we work across sectors including **Education, Livelihoods, Entrepreneurship, Poverty Alleviation, Environment, Women Empowerment, Health, Water and Sanitation, Waste Management, and Artisan Training**. We also pursue **Research and Development** in areas like Education, Energy, and WASH to build scalable, future-focused solutions.

At the heart of our work is a firm commitment to helping the underserved become self-reliant, aware, and empowered. True change begins when people are equipped not only with awareness, but also with the tools and confidence to shape their own future.

From community mobilization and motivational campaigns to youth training and women's economic empowerment, our work is designed to transform—not just inform.

Empowerment, for us, is an ongoing journey. We envision a society where every person has access to life's essentials, and where dignity and respect are generational assets.

This vision is shared by our dedicated team, volunteers, and supporters our true strength. As the **Founder and Chairman**, I believe giving back isn't just noble—it's necessary. We remain committed to using our experience and partnerships to tackle today's challenges and shape a better tomorrow.

Together, we will make a difference.

Let's build a more just, empowered, and compassionate India—together.

Warm regards,

**Dr. Anand Poddar**
